

Apollo **Neuro** Conclave²⁰²⁵

Dear Friends

We cordially invite you to the 3rd Annual Conference - Neuroconclave 2025 on 12th and 13 th April 2025 at Hyatt Regency Hew Delhi being organized by the Department of Neurosciences Indraprastha Apollo New Delhi. This year's theme, "Recent advances in Treatment protocols," promises to bring ground breaking insights and practical strategies to enhance clinical decision-making. Join us for two days of comprehensive lectures, and networking opportunities with leading experts in the field of neurosciences. The two day conference promises to be a comprehensive exploration of the forefront of neuro-scientific advancements..

The Neuro Conclave brings together the doyens of Neurosciences working in Apollo Hospitals group in various cities across India. Apollo Hospitals are known to provide the best and the most advanced Clinical Care, available in the best of centres in the world.

This academic feast would enrich the knowledge of the participants and help them provide better care for their patients.

We welcome you to attend the Apollo Neuro Conclave which is poised to draw Neurologists, Neurosurgeons, Neuro Intensivists, and Neuro-critical care and Neuro-anaesthetists from across the Apollo group of hospitals in India which in addition to knowledge sharing, would also provide an ideal platform to exchange views & opinions, and take the collaboration between Neurologists and Neurosurgeons of Apollo Hospitals group to the next level.

Furthermore, the conference is enriched by the participation of postgraduate students in neurosciences who will benefit immensely by learning from the Doyens in the field.

Mark your calendar and be part of this exceptional event that will shape the future of neurological practice.

We look forward to welcoming you to this enriching experience.

Warm Regards
